Good day MLBBers! Time to unveil the mission for the 40 candidates!! Yes some of you have got it right!! All these 40 candidates would be joining Myanmar's 515 All Star of this year!!

And along the way, your mission is extremely important too!!! You can actually be the one deciding on who the star of Myanmar will be!! Note that your votes got to decide on which 4 teams would pass the voting stage then move on to the domestic stage!!! And moreover, your views and attention would actually turn into the power of charity!! It is the VERY FIRST ALL STAR where a charity donation program is engaged and where our players views would actually decide on the amount of donations! With more views from all players through this year's All Star domestic stage, the more donations would go to the Myanmar local charity groups!! With all these amaze and power of kindness awaiting, do keep up your attention for THIS 515 ALL STAR!! To start with, LOG INTO MLBB and submit your votes for your beloved KOLs from April 29th to May 4th, 2022!!!

Do check out the below video to understand more about all these!! Enjoy MLBB everyone!!
